

The map shows a blue route for a triathlon. It starts at a red triangle labeled 'En Bata' at the top. The route goes south, then west, then south again, following the Le Reins river. It then turns east, loops around a large lake, and returns to the start. Light blue arrows indicate the direction of travel. A white circle with the number '1' is on the route. A green play button icon is at the bottom of the route. A red circle labeled 'Parc vélos' is at the bottom left. The text 'de biologique des Sapins temporairement' is on the left. The text 'Les Grands Prés' is on the right. The logo 'TARARE TRIATHLON' is at the bottom right.
